Counselor – Ms. Kirby
Secretary/Registrar –
Mrs. Moreau and Mrs. Pacifico

I would like to thank you for providing our high school with your product. The Cigarette Buster detector system has been a great addition in our efforts to eliminate smoking in our school restrooms. Within the first few days of installation, we were able to catch four different students attempting to smoke in the bathrooms where our detectors were placed. Since then, we have had zero incidents in our bathrooms. I highly recommend this product to schools who would like to eliminate smoking on campus.

Sincerely,

A handwritten signature in black ink, appearing to read 'Edgar Garcia', written over a white background.

Edgar Garcia
Principal
